

JCC Steering Committee March 27, 2008

Attending: Gary Smith (chair), Geri Bowen, Jane Smith, Skip Stoddard, Edith Sylla  
Excused: Steve Halsted, Grady McCallie, Marty Lamb, Paul Kiel

**NEXT MEETING: Thursday, April 17, 7pm**

**Project: Multi-congregation Tea**

**Coordinator: JCC**

**Date: May 4, 3:00-5:00pm**

NOTES:

Purpose: Event to gather already active church representatives. This would collect the “talkers.” What has your group done? What has your group thought of doing? Small groups, musical chairs. Then call for action areas. Then regroup to network around shared interests. Then call for help on projects.

Invitation: Informal come and let’s hear what you’ve been doing & what you’re thinking of doing & see where we might combine efforts. Share your story of what your congregation has done. What are you excited about on your journey? Come for tea.

Possibly later have a day where we all go out to “do” and then gather together for dinner. This would collect the “doers.” Be climate-appropriate (heat is the issue in the summer).
